

**Most Trusted Brand in Pharmaceutical
Pellets, API, Mups & Granules**

Company Profile

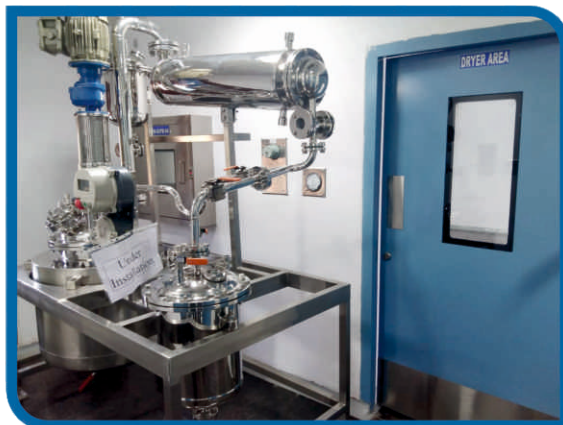

MEDTIME PHARMACEUTICAL was established in the year 2015 and now it is one of the leading Pharmaceutical Company that manufactures, markets, and distributes a wide range of healthcare products.

We manufacture several intermediate, Active Pharmaceutical Ingredients (APIs) & Semi-finished Dosage Forms (Pellets & Granules) and Finished Formulations. Our strong commitment of providing quality products by in-depth industry knowledge, well-qualified team of professionals, as well as hi-tech and advanced infrastructure and as a result it won us numerous clients in India as well as across the globe.

MEDTIME PHARMACEUTICAL manufacturing facilities are approved by several international regulatory bodies such as ISO 9001-2015, WHO: GMP, Cofepris and Japanese Accredited and awaiting certification and moving towards USFDA, EU GMP, MHRA & TGA.

As a part of research, we continue to invest in the development and application of novel drug delivery technologies to meet future challenges.
